

A MESSAGE FROM THE GRILL

We want our customers to know like everyone else, safety is our top priority and that we are doing all we can to continue to serve our communities and keep our staff employed. We are in constant communication with our local health departments and following recommendations by local and state officials.

In response to the needs for social distancing, we are expanding our To-Go business offerings so that we can comply to group restrictions or at least provide choices for customers who want to limit contact.

CARRY-OUT: All our locations are open for carry-out. You can come through the line like normal, we just ask that you take your items to-go and give space to others.

CALL-AHEAD: Place your order over the phone and pick it up in-store.

CURBSIDE: NEW! To assist with social distancing and zero contact, we are now offering curbside. Just call the store when you arrive, and we'll run it out to you.

CATERING: We are still offering our full catering service for anyone who is looking. We understand there are companies and places that can't work remote and still need a fresh meal! We are currently offering 10% off on orders of \$100 or more! 24-hours is preferred to guarantee a delivery.

DELIVERY: We have delivery available through door dash and are currently waiving our delivery fees through the end of March.

ONLINE ORDERING: We now have online ordering available in Kearney, Grand Island, Lincoln, Omaha, and Council Bluffs. Additional locations in Kansas, Missouri, Iowa, South Dakota, and Minnesota are coming soon!

Above all, we hope that you and your loved ones are safe and continue in good health.
